## Chapter 1 by Da'Najah

"You'll never survive out here all alone like that." My friend Tony said to me.

"I'm not alone, I have you." I replied.

"Yeah about that," he said not looking me in the eyes " I can't hang with you no more bro. I'm in a gang now. I can only talk to gang members."

"Dang it's like that ? What gang are you in huh ? Refrigerator Gang ?" I said and we chuckled. I tried to lighten the mode. Tony was a tall, heavy set boy with short black hair. I was muscular, a little shorter than Tony with a fresh haircut.

"No, I'm a royal. They jumped me in the other day. You should join. We protect each other and care about each other. It's cool man. "

"All you have to do is get jumped in ?" I asked. If that was it I was all for it. I can take a few hits.

"No. You have to do something for them too. To show them that your not weak. " he said proudly.

I turned to look him down and up. "What did they make you do?" I asked

"Something brave and awesome."

I threw my hands up in the air and jumped off the wall I was sitting on.

"Come on man. Please tell me you didn't kill anyone did you?"

Tony's smile dropped from his face. "I didn't kill anyone." My eyes fell to his feet and I could feel the guilt coming off of him.

"Who'd you kill?" I am groggy. "I didn't kill anyone." Tony is getting gang deaths were nothing new in our neighborhood but the thought of one of my best friend be the killer just

made my blood boil. He knows first hand how death can destroy a family yet he did it to another family.

"I didn't kill anyone I just....."

"You just, What?"

"I jumped Kira." Tony finally spit out.

I couldn't believe my ears yes he didn't kill anyone but he was about to be dead.

"You are a moron! I mean out of all the people to jump you had to jump Harley's little sister!"

### Chapter 3 by intellikat

Tony kicked at a loose stone on the ground.

"It's not like in the movies..." he let out. "Being a gang member is really tough. There's a lot of pressure to perform. Geezus. Being a Royal is hard work. You act like it was easy to jump Kira."

I relaxed a little. "You're right. Maybe I was a little harsh." I looked down as well. "Maybe I'm just a bit... jealous." I playfully shouldered Tony. "Tell me what it was like."

Tony looked up with his dark hazel eyes. "Well... okay." He brightened up a little. "Like I said, I jumped her. She was walking home from school, and I was crouched on a low wall. She walked by... and well, I jumped her. Right onto her back. Put a harness over her head, a bit and bridle in her mouth, and then the saddle. I brushed her hair back with the curry comb. And then I rode her."

My eyes widened. "My god, you didn't."

"I did. I rode her back to the blacksmith and we shod her. And after that we branded her haunches."

"Where is she now?"

"In the Royals' stable. Along with Harry, Hutch, and Denise. Benny says we'll have enough to

face a real derby soon. And that's where the big money comes into play.

I couldn't believe it. "Harley's going to be the first to ride for the Royals for this?"

"Yeah. Maybe." Tony looked at me arm's wide. "But the Royals are all are born-again, you know? We'll come back and kill him as ghosts."
